## CIRCULAR NOTICE 18/18

Dear Parent / Guardian

### ASTRO QUIZ 2018

Kindly be informed that you child/ward \_\_\_\_\_ in Grade 7 has been selected to represent our school and District at the competition to be held on 27 July 2018 at the Unizulu Science Campus in Richards Bay.

Due to the distance and starting time being at 09:00, we have decided that we will let our learners stay overnight in Richards Bay accompanied by 2 teachers from our school. All arrangements have been finalized.

We are confident that you will agree with our arrangement and allow you child/ward to stay over. All costs (transport, bed and meals) will be paid for by the school. Your child/ward will only need to carry clothing and toiletries needed as well as some pocket money. The clothing must include a clean set of school uniform for 27 July.

The team is headed by Ms SJ Luthuli and Mr TV Magubane will drive the learners to Richards Bay and back. We expect them to leave by 12:00 on 26 July 2018 and will stay over at the Bayview Lodge Hotel in Richards Bay. They will return after the competition on 27 July. The expected time of arrival will depend if they win the first round, but you will be informed on 27 July by Ms Luthuli when they leave Richards Bay.

Reserves are also required complete the form, but will be informed if they need to accompany the group.

Kindly complete the consent form attached and return it to school. Not returning the form indicates that you do not want you child to be part of the team and overnight stay.

Thank you.
