Dear Parent / Guardian/Mzali

Our school motto is to make the teaching experience ONE OF THE BEST DECISIONS a parent has to make when placing their children at our school for education. To this end, we provide the best quality education we can with the limited resources available.

Our school has demolished the grade 7 block due to concerns on the safety of the learners and we are replacing the entire block. Due to increasing enrolment of learners, we have opted to add an extra class as well – a total of 3 classes are being constructed, in addition to the tuck shop and storeroom.

Ngenxa yokukhula kwenani labafundi ababhalisayo sibe sesifaka nelinye iklasi lokwengeza – Mathathu -3 esewonke amaklasi awakhiwayo ne tuckshop nendawo yokugcina izimpahla.

We are in need of your support to complete this project so that we do not have to revert to combined classes and appeal to you to make a once off building donation of R300-00.

Sidinga usizo oluvela kunina njengabazali ukuze sikwazi ukuqedela lesi sakhiwo ukuze sikwazi ukugwema ukuhlanganisa amaklasi ngaleso sizathu siyacela ukuba nifake isandla ngomnikelo kaR300 ozokhokhwa kanye nje kuphela.
